

Mohammad Murwih Khalaf Alidmat

BSc., MSc. (Jordan) Ph.D. (USM)

📍 Jordan

☎ +6019 - 476 1946

✉ alidmatm@gmail.com

EDUCATION

Bachelor of Science, 2015
Al al-Bayt University, Jordan

Master of Science, 2014
Al al-Bayt University, Jordan

Doctor of Philosophy, 2021
Universiti Sains Malaysia

REFERENCES

Assoc. Prof. Dr. Melati
Khairuddean

Deputy Dean
School of Chemical Sciences
Universiti Sains Malaysia

TEACHING

Directorate of Education,
Ministry of Education
2011-2016

PUBLICATIONS

1) Design, synthesis, characterization, and cytotoxicity activity evaluation of mono-chalcones and new pyrazolines derivatives. Journal of Applied Pharmaceutical Science

2) EGFR Inhibitors and Apoptosis Inducers: Design, Docking, Synthesis, and Anticancer Activity of Novel Tri-Chalcone Derivatives. Systematic Reviews in Pharmacy

SKILLS

- PhD in organic chemistry
- Experience of Molecular dynamics
- Experience of organic synthesis.
- Experience of synthesis of heterocyclic.
